Code of Conduct

To ensure that all games are safe, family-friendly, and conducted in such a way that all participants and spectators enjoy the experience, the Seattle Summer Water Polo League (SSWPL) has the following code of conduct. Please read it carefully, sign it, and return it to your Team Coordinator. Both a parent signature and player signature is needed. This must be done prior to competing in the first game of the season.

As a member of the Seattle Summer Water Polo League, I agree to:

- Consistently display respect, honesty, and sportsmanship toward coaches, teammates, officials, volunteers, parents and competitors.
- Consistently display a positive and supportive attitude toward all teams, coaches, teammates and competitors.
- Refrain from the display or use of aggressive behavior and offensive language, including any derogatory reference to any person's race, sex, ethnicity, or other characteristics.

All infractions that result in expulsion from a game must be reported to the SSWPL board within three (3) days. Any infraction of this code may result in, but is not limited to, the following actions by the Board:

- Restriction from future competition for a designated period of time.
- Placement on probation for a designated period of time.
- Restriction from participation in championship competition.

In order to provide clarity to participants, coaches, parents and referees, the offenses below will result in a kick-out (the third kick-out results in removal from the game). The referee may also choose, depending on the offense, to remove the player from the game.

- The use of profanity towards anyone, even oneself.
- Addressing the referee, except during timeouts and between periods. The only exception would be to simply get clarification on the directions of the referee.
- Addressing the other team's coach or other team's bench at any time.

All rules governing behavior, violence, striking, kicking, etc. included in the USWP rules will be strictly enforced. Removal for these offenses is a violation of the code of conduct and will be referred to the Board.

Date: _____

Parent Signature: _____

Date: _____

Note to parents: While there have been very few problems with spectators contributing to a negative atmosphere, it does occasionally happen. The referee has the authority under the rules to have spectators removed from the premises. Let's all work together to make sure that there is no need to have this happen.

OVSC Water Polo Team Family Volunteer Agreement 2009

To ensure a smooth season for our home water polo matches held at OVSC, we have decided to establish a volunteer program for parents. This is much like the volunteer program for swim meets, but designed specifically for our sport. We will be asking each family to volunteer. At this time, we are expecting to have 4 home matches plus our team banquet, all in the month of August. The dates and times will be finalized in late June at the league meeting. (Check the online events calendar at www.olympicview.net for the planned dates and times.) Each family will be assigned duties at home matches and/or the team banquet, so please list your availability for each date and prioritize your duty preferences. Also let us know if you will be out of town for certain matches. We will post assignments via email and at the pool 2 days prior to the event.

Please prioritize your job preferences 1st to 7th:

_____ **Concessions:** Sell pizza, drinks, salads, etc. -- a great job for parents new to water polo! To better help the concession committee we have 2 shifts: set-up/sell and sell/clean-up.

_____ **Grilling:** Grill poultry and meat items.

_____ **Timer:** Operate the main countdown clock during the game. We train you! Lots of fun and you're in the middle of the action.

_____ **Shot Clock Timer:** Operate the shot clocks that are used to countdown the time a team has the ball before making a shot at the goal. Start, stop and restart the clock.

_____ **Scorekeeper:** Keep score of goals scored by each team and report final results. It's easy and you get a "ringside seat" right on the deck. The referees will confirm the point if there is any penalty called.

_____ **Additional Volunteer areas/interests/comments,** for example, do you referee?
